Rythem figure 1

It starts with drums, then this.....(strumming not exact)

thats about it. The order goes:

Intro

Verso 1

CORO

Verso 2

CORO x2 (one with Mark singing one with Tom)

PUENTE(same chords as CORO)

CORO x3(Tom harmonising)

OK, here we go!!!

Verso 1(Rythem figure 1)

I've gotta regret right now(i'm feeling it)

The air is so cold at home(i'm feeling it)

Let me go in her room(i'm feeling it)

I love all the things you do(i'm feeling it)

Show me the way to bed(i'm feeling it)

Show me the way you move(i'm feeling it)

Show me, it's such a blur(i'm feeling it)

I love all the things you do(i'm feeling it)

CORO

E5 B5 C#5 A5

We fell short this time smile fades in the summer

E5 B5 C#5 A5

Place your hand in mine, i'll leave when I wanna

Verso 2(Rythem figure 1)

Where do we go from here

Turn all the lights down now

Smiling from ear to ear(i'm feeling it)

My breathing just got to loud(i'm feeling it)

Show me the bedroom floor(i'm feeling it)

Show me the bathroom mirror(i'm feeling it)

Where takin this way to slow(i'm feeling it)

Come take me away from here(i'm feeling it)

CORO x2(one with Mark one with Tom)

PUENTE(bass hits single note- E i think)

This place was never the same again,

after you came and went,

How can you say you meant anything different to anyone
standing alone on the street with a cigarette on the first night we met

(Guitar comes in with palm muting)

Look to the past and remember a smile and maybe tonight I can

breath for a while

I'm not in a scene i think i'm falling asleep and then all that I need

is i'll always be dreaming of you!!

CORO x3(Tom starts harmonizing on 2, then mark on 3)CORO-no music with harmonizing
