(mantem a música inteira)

Found the truth beneath your lies

And true love never has to hide

True love never has to hide

I'll trade your broken wings for mine

Trade your broken wings for mine

I've seen your scars and kissed your crime

Seen your scars and kissed your crime

So many people that I know, they're just tryna touch ya

Kiss up and rub up and feel up

Kiss up and rub up and feel up on you

Give you some time to prove that I can trust you again

I'm gonna kiss up and rub up and feel up

Kiss up and rub up and feel up on you

All night long

Sweet love all night long

Sweet love all night long

Sweet love all night long

All I wanna, ain't no other

We together, I remember  
Sweet love all night long  
Our love was stronger than your pride  
Beyond your darkness, I'm your light  
If you get deep, you touch my mind  
If you get deep, you touch my mind  
Baptize your tears and dry your eyes  
Baptize your tears and dry your eyes  
So many people that I know, they're just tryna touch ya  
Kiss up and rub up and feel up  
Kiss up and rub up and feel up on you  
Give you some time to prove that I can trust you again  
I'm gonna kiss up and rub up and feel up  
Kiss up and rub up and feel up on you  
All night long  
Sweet love all night long  
Sweet love all night long  
Sweet love all night long  
All I wanna, ain't no other  
We together, I remember  
Sweet love all night long  
They say true love's the greatest weapon  
To win the war caused by pain, pain  
But every diamond has imperfections  
But my love's too pure to watch it chip away  
Oh nothing real can be threatened  
True love breathes salvation back into me  
With every tear came redemption  
And my torturer became a remedy  
So many people that I know, they're just tryna touch ya

Kiss up and rub up and feel up  
Kiss up and rub up and feel up on you  
Give you some time to prove that I can trust you again  
I'm gonna kiss up and rub up and feel up  
Kiss up and rub up and feel up on you  
All night long  
Sweet love all night long  
Sweet love all night long  
Sweet love all night long  
All I wanna, ain't no other  
We together, I remember  
Sweet love all night long  
How I missed you, my love
