Intro: G Bm7 C D

G D/F#

I was walking home from school

Em C

On a cold winter day

G Em C D

Took a shortcut through the woods, and I lost my way

G D/F# Em C

It was getting late, and I was scared and alone

G Em C

But then a precious baby boy took my hand

D

And led me home

C Bm7 C D

Mama couldn't see him, oh but he was standing there

C Bm7

And I knew in my heart

C D

He was the answer to my prayers

G Em7 Am7 D

Oh I believe there are angels among us

G Em7 C D

Sent down to us from somewhere up above

G Em7 C D

They come to you and me in our darkest hours

C Bm7 C D

To show us how to live, to teach us how to give

C D D7 G Bm7 C D

To guide us with the light of love

G D/F#

When life held troubled times

Em C

And had me down on my knees

G Em

There's always been someone

C D

To come along and comfort me

G D/F#

A kind word from a stranger

Em C

To lend a helping hand

G Em C D

A phone call from a friend, just to say I understand

C Bm7 C D

And ain't it kind of funny that at the dark end of the road

C Bm7

Someone lights the way

C D

With just a single ray of hope

G Em7 Am7 D

Oh I believe there are angels among us

G Em C D

Sent down to us from somewhere up above

G Em7 C D

They come to you and me in our darkest hours

C Bm7 C D

To show us how to live, to teach us how to give

C D D7

To guide us with the light of love

C Bm7

They wear so many faces

C Em

Show up in the strangest places

C Bm7

To grace us with their mercy

Am7 D

In our time of need

G Em7 Am7 D

Oh I believe there are angels among us

G Em C D

Sent down to us from somewhere up above

G Em7 C D

They come to you and me in our darkest hours

C Bm7 C D

To show us how to live, to teach us how to give

C D D7 G Bm7 C D G To guide us with the light of love
