Please get out of my head  
You're water rushing in my hands  
You're a shadow everywhere  
You own my domain  
I'm trying to push you away  
But you always stay  
The world is failing, oh  
I'm trying to push you away  
But I can't run away from myself  
away from myself  
Away from myself  
Away from myself  
Please get out of my head  
You're water rushing in my hands  
You're a shadow everywhere  
You own my domain  
I'm trying to push you away  
But you always stay  
The world is failing, oh  
I'm trying to push you away

But I can't run away from myself  
away from myself  
Please get out of my head  
You're water rushing in my hands  
You're a shadow everywhere You own my domain
