F#m B  
There is somethin' between us, I can see it right now  
F#m B  
Your magnetic demeanor, that's something can't be found  
F#m B  
I thought that I was dreamin' until my love came around  
F#m B  
Now I just come on over, show you how we get down  
F#m  
Shawty you can get blazed  
B  
I can't believe that you are here, I can't believe it's happening  
F#m  
What are the odds that you'd appear?

The universe so vast to me
