[Intro]

Am C

All I ever really wanted was someone to love me this good

G

You love me so good

Everybody knows I'm capable of breaking hearts like I've done

I've scarred more than one

I, I, I

You and I

Congratulations, celebration

G

'Cause my heart is the hardest to break

Am

Break up to make up

C G

Just to wake up with mascara all over my face

Am C

And I'm no cry baby, but you make me cry lately

G

I'm no cry baby, but you make me cry, baby

Am C

I'm no cry baby, but you make me cry lately

G

I'm no cry baby, but you make me cry, baby

Cry, baby

Am C

How could someone so beautiful be so damn ugly?

G

I guess I'm naive

Am C

'Cause everytime I start tripping, slipping then I'm falling too deep

G

Stuck in a bad dream

Am

I, I, I

You and I

Get along like fire to a plane

Am

You, ooh, ooh
