Intro: G D A

G D A

Hey Babe, it's me parked outside your house,

G D A

I know that he's asleep, so listen to me now,

G D A

Darlin', I'm tired of living just in your dreams, I'm getting out,

Bm

You know we both sold our souls,

G C

We're just growing old in this sleepy dead-end town,

CORO:

Em C

Destination Anywhere,

G D

Name the place and I'll be there,

Em C D

Pack a bag and we're outta here - let's run

G D A

Baby, we both been running uphill for too long

G D

We both settled for something, got nothing

A

And we both know its wrong

G D A

Go on admit it we lived it, I'm leaving - Get your boots and come on

Bm G C

I got my coat and my keys, I need you next to me, then I'm gone

CORO:

Em C

Destination Anywhere,

G D

Name the place and I'll be there,

Em C D

Pack a bag and we're outta here - let's run

Em C

Destination Anywhere,

G D

Left or Right, I don't care

Em C D

Baby, we'll just desappear, like the sun

G

When these wheels spin, they can all our dust,

Em D

As far as I'm concerned, this whole town lost its nuts,

Em C

We won't be here when they put us down,

G D

It's our big chance and I'm calling you now,

NC - (keyboards + piano part)

They'll never let us go unless we try  
I'm tired of living just to die,  
We're getting outta here, destination anywhere  
(back to CORO)
