Em7 G

If I begged and if I cried

D

Would it change the sky tonight

A

Would it give me some light

Em7 G

Should I wait for you to call?

D

Is there any hope at all

A

Are you drifting by?

G

When I think about it

D A

I know that I was never there or even cared

G

The more I think about it

D A

The less that I was able to share with you

G D

I try to reach for you I, can almost feel you

A

You're nearly here

G D A G

And then you disappear

(Disappear, disappear, disappear)

D A G

You disappear

(Disappear, disappear, disappear)

Em7 G

And when I lie all by myself

D

I see your face, I hear your voice

A

My heart stays faithful

Em7 G

And time has come and time has passed

D

If its good it's got to last

A

It feels so right

G

When I think about it

D A

I know that I was never there or even cared
