I just created this after not being able to find a solo for this song anywhere.

It playing during the break down part, with the chords:

Am, Dm, G, C, G7.

Detune ALL strings.

I can in now way garauntee it being correct, because i did it without listening to the music, only from playing the chords, and remembering just about how it goes,

if you ave suggestions, please email me \*!

Remember, it's only a roughish guide, i know i missed out a bit,But i just can't remember it right now!
