Em            D            Em  
 Over on the hill, there grows a flower  
 Em            D            Em  
 Growing quicker still, more perfect by the hour  
 Em            G            D    Em  
 Deep within that flower, is a tiny chair  
 C            Am D            Bm            Em  
 All a-fringed with gold, the fairy queen sits there...  
 Em            D            Em  
 It is in her breath, that the wind does blow  
 Em            D            Em  
 It is in her heart , as pure as winter snow  
 Em            G            D    Em  
 It is in her tears, crystal raindrops fall  
 C            D            Bm            Em  
 And within her years, that she is in us all...  
 C    D            Em  
 Oh dark eyes, help me see  
 Em            G            D  
 Just one look, she is gone,

D Am Em

Look on me, we are one

C D E Em

Fading with the setting sun...

Em D Em

As the willow bows , to her majesty

Em D Em

All the forest flowers, love her mystery

Em G D Em

Who would not admire, who could not adore

C D Bm Em

Who does not desire, who wishes to see more?

C D Em

Oh dark eyes, help me see

Em G D

Just one look, she is gone,

D Am Em

Look on me, we are one

C D Em Fading with the setting sun... (3x)
