C G
 Well it was ugly but we made it this far
 Am C
 Some have gone but I forget who they are
 F C D G
 Now the hangovers are worse but we get through them fine
 C G
 Sleeping late but were not lazy
 Am C
 Getting older but were still crazy
 F Em D G C
 I'm so glad that I have these friends of mine
 Am G
 It started out at a coffee shop in a most unlikely town
 Am G
 And there were casualties but we made it out anyhow
 C G
 We stuck together through the good and bad times
 Am C
 Pulp Fiction, Blazing Saddles, and Fast Times

F Em D G C

I'm so glad that I have these friends of mine

C G Am C F Em D G C

(Fundo do Solo)

Am G

And jobs girls and obstacles did all but break us down

Am G

Night clubs and broken bands in every major town

F C

And I've got your back, you've got mine

F C

Like Johnny Cash said "I walk the line"

F Em D G C

And you can always count on me for one last beer

C G

We saw the world and the world seemed smaller

Am C

Were getting wider but not getting no taller

F C D G

I know we've grown up just a little at a time

C G

Were sleeping late but were not lazy

Am C

Were getting older but were still crazy

F Em D G C

I'm so glad that I have these friends of mine

C D G

So glad that I have these friends of mine

C D G C So glad that I have these friends of mine
