One, two, three

Wait, is this the song with the drums?

G

I met a guy in the summer and I left him in the spring

A

He argued with me about everything

G

He had an ego and a temper and a wanderin' eye

A

He said he's six foot two and I'm like, "Dude, nice try"

G

But he was so much fun and he had such weird friends

A

And he would take us out to parties and the night would never end

G

Another song, another club, another bar, another dance

A

And when B said, "Something wrong?", he'd just fly me to Franc?

G

So I miss him some nights when I'm feelin' depressed

A

'Til I remember every time he made a pass on my friend

G

Do I love him? Do I hate him? I guess it's up and down

A

If I had to choose, I would say it right now

G

I wanna get him back

A

I wanna make him really jealous, wanna make him feel bad

G

Oh, I wanna get him back

A

'Cause then again, I really miss him and it makes me real sad

G

A

Oh, I want sweet revenge and I want him again

G

A

..I want to get him back, back, back

G

So I write him all these letters and I throw them in the trash

A

'Cause I miss the way he kisses and the way he made me laugh

G

Yeah, I pour my little heart out, but as I'm hitting "send"

A

I picture all the faces of my disappointed friends

G

Because everyone knew all of the \*\*\*\* that he'd do

A

He said I was the only girl, but that just wasn't the truth

G

And when I told him how he hurt me, he'd tell me I was trippin'

A

But I Am my father's daughter, so maybe I could fix him

G

I wanna get him back

A

I wanna make him really jealous, wanna make him feel bad

G

Oh, I wanna get him back

A

'Cause then again, I really miss him and it makes me real sad

G

A

Oh, I want sweet revenge and I want him again

G

A

..I want to get him back (Back?)

G

A

I want to get him back, back, back

G

I wanna key his car (I want to get him back)

A

I wanna make him lunch (And then I, I want to get him back)

G

I wanna break his heart (Then I, I want to get him back)

A

Then be the one to stitch it up (And then I, I want to get him back)

G

Wanna kiss his face (And then I, I want to get him back)

A

With an uppercut (Then I, I want to get him back)

G

I wanna meet his mom (And then I, I want to get him back)

A

Just to tell her her son sucks, yeah (Then I, I want to get him back)

G

Oh, I wanna key his car (Then I, I want to get him back)

I wanna make him lunch

A

I wanna break his heart (Then I, I want to get him back)

Stitch it right back up

G

I wanna kiss his face (I want to get him back)

With an uppercut

A

I wanna meet his mom (Then I, I want to get him back)

And tell her her son sucks, yeah

G

I wanna get him back

A

I wanna make him really jealous, wanna make him feel bad

G

Oh, I wanna get him back

A

'Cause then again, I really miss him and it makes me real sad

G

Oh, I want sweet revenge and

A

I want him again

G

A

..I want to get him back (Back?)

G A

I want to get him back, back, back, back

G A G

..I'll get him, I'll get him, I'll get him, I'll get him back, woo-hoo

A

Get him back, c'mon, c'mon

G A

..I'ma get him so good, he won't even know what hit him

G

He's gonna love me and hate me at the same time

Get back, girl, you better get him back

I got him good, I got him really good
