G Bb Eb

Striking at mental apparitions

G Bb C

Like a drunk on a vacant street

G Bb Eb

Silently beset by the hands of time

G Bb C

Indelicate in its fury

G Bb Eb

An aberrant crack as skeletons yield

G Bb C

To unrelenting gravity

G Bb Eb

While viruses prowl for helpless victims

G Bb C

Who succumb rapidly

G Bb

(Tell me!) Tell me; where is the love?

F

In a careless creation

C

When there's no "above"

G

There's no justice

Bb

Just a cause and a cure

F

And a bounty of suffering

C

It seems we all endure

Eb

And what I'm frightened of

F

G

Is that they call it "God's love"

G

Bb

Eb

Twisted torment, make-believe

G

Bb

C

There's a truth and we all submit

To all that they interpret

G

Bb

(Tell me!) Tell me; where is the love?

It seems we all endure

And what I'm frightened of

I know there's no reason for alarm

G

Bb

Eb

But who needs perspective when it comes to pain and harm

G

Eb

F

We can change our minds; there's a better prize

But first you've got to...

G

Bb

(Tell me!) Tell me; where is the love?

In a careless creation

When there's no "above"

G

There's no justice
