Am G
 You think that you're so slick
 C F
 I got something for you
 Am G
 Hold that thought you're old news
 C F
 Older than my old shoes
 Am G
 Since you like to play games
 C F
 Grow up act your damn age
 Am
 Trix for kids
 G
 You're so lame
 C F
 Cause you never really loved me the same
 Am
 Now close that door behind you (ay)

G

Close that door behind you (yeah)

C F

Don't let it hit you on the way out

Am G

Ha-ay Ha-ay (yeah)

C F

Don't let it hit you on the way out

Am

Boy I'm not thinking bout you (nah)

G

Imma drink without you

C F Am G

Cause my girls are on the way now ha ay ha ay (yeah)

C F

Cause my girls are on the way now

I'm on to another

Cause you changed like the weather

Say ay

OI got my girls

We in the party like

Ay I got my girl

We in the party like

Ay I got my girls

We be clubbin

Go home to you're mother

Cause you're just another sucka

Say ay

I got my Girls

We in the party like

Ay I got my girls
We in the party like
Ay I got my girls
We be clubbin like
You dress like a corn ball
Smiley faces on your drawers
Immature
You're so wrong
Don't come back
You're long gone
Can't you see I'm priceless?
You don't have sense to notice it
Thought you had
A hold of this
But you never gave me loving the same
Now close that door behind you (ay)
Close that door behind you (yeah)
Don't let it hit you on the way out
Ha ay Ha ay (yeah)
Don't let it hit you on the way out
Boy I'm not thinking bout you (yeah)
Imma drink without you
Cause my girls are on the way now
Ha ay Ha ay (yeah)
Cause my girls are on the way now
I'm on to another
Cause you changed like the weather
Say ay
I got my girls
We in the party like

Ay I got my girls
We in the party like
Ay I got my girls
We be clubbin
Go home to you're mother
Cause you're just another sucka

Say ay

I got my Girls
We in the party like
Ay I got my girls
We in the party like
Ay I got my girls
We be clubbin like
My phone's on silent

I'm so tired

I don't wanna hear your name no more
I don't wanna see your face no more
(Shut shut shut shut the front door)

My phone's on silent

I'm so tired

I don't wanna hear your name no more
I don't wanna see your face no more
(Shut shut shut shut the front door)

My phone's on silent

I'm so tired

I don't wanna hear your name no more
I don't wanna see your face no more
(Shut shut shut shut the front door)

My phone's on silent

I'm so tired

I don't wanna hear your name no more

I don't wanna see your face no more

(Shut shut shut shut the front door)

I hopped to another

Cause you changed like the weather

Say ay

I got my girls

We in the party like

Ay I got my girls

We in the party like

Ay I got my girls

We be clubbin

Go home to you're mother

Cause you're just another sucka

Say ay

I got my Girls

We in the party like

Ay I got my girls

We in the party like

Ay I got my girls

We be clubbin like

I hopped to another

Cause you changed like the weather

Say ay

I got my girls

We in the party like

Ay I got my girls

We in the party like

Ay I got my girls

We be clubbin

Go home to you're mother
Cause you're just another sucka

Say ay

I got my Girls

We in the party like

Ay I got my girls

We in the party like

Ay I got my girls

We be clubbin like
