[Intro] A Bm F#m D

[Primera Parte]

A Bm

Remember those walls I built

F#m

Well Baby they are tumbling down

D

And they didn't even put up a fight

A

They didn't even make a sound

Bm

I found a way to let you in

F#m

But I never really had a doubt

D

Standing in the light of your halo

A

I got my angel now

Bm

It's like I've been awoken

F#m

Every rule I had to break

D

It's the risk that I'm taking

A

I ain't never gonna shut you out

[CORO]

Bm

Everywhere I'm looking now

F#m

I'm surrounded by your embrace

D

Baby I can see your halo

A

You know you're my saving grace

Bm

You're everything I need and more

F#m

It's written all over your face

D

Baby I can feel your halo

A

Pray won't fade away

I can feel your halo

Bm

I can see your halo

F#m

I can feel your halo

D

I can see your halo

[Segunda Parte]

A Bm

Hit me like a ray of sun

F#m

Burning through my darkness night

D

You're the only one that I want

A

Bm

I swore I'd never fall again

F#m

But this don't even feel like falling

D

Gravity can't forget

A

To pull me back to the ground again
