Am

When the chips are down

F

Back against the wall

C

Got no more to give

G

Cause we gave it all

Am

F

Seems like going the distance unrealistic

C

G

But we're too far from the start

Am

F

So we take what comes and we keep on going

C

G

Leaning on each other's shoulder

Am

F

Then we turn around

C

G

And see we come so far somehow

Am

We're halfway there

F

We're looking good now

C

G

Nothing is going to get in the way

Am

We're halfway there

F

Looking back now

C

G

I never thought I'd ever say

Am F C G

We're halfway there

Am F C G

We're halfway there

Am

If we never flew

F

We would never fall

C

If the world was ours

G

We would have it all

Am

But the life we live

F

Isn't so simplistic

C

G

You just don't get what you want

Am

So we take what comes

F

And we keep on going

C G

Leaning on each others shoulder

Am F

Then we turn around

C G

And see we've come so far somehow

Am

We're halfway there

F

We're looking good now

C G

Nothing is going to get in the way

Am

We're halfway there

F

Looking back now

C G

I never thought I'd ever say

Am F C G

We're halfway there

Am F C G

We're halfway there

Am F

How ya ever gonna reach the stars?

C G

If you never get off the ground?

Am F
And you'll always be where you are

C G
If you let life knock you down

Am
We're halfway there

F
We're looking good now

C G
Nothing is going to get in the way

Am
We're halfway there

F
Looking back now

C G
I never thought I'd ever say

Am F C G
We're halfway there

Am F C G
We're halfway there

Am F C G We're halfway there
