[Intro] Bm E Bm E A

A

Though I know it's time to take you home

F#m

Baby you and I are all alone

Bm

We could take a moment of our own

A

And look what we've got

A

You could destroy this heart of mine

F#m

I'm only trying to get by

Bm

Hiding in the shadows of the night

E

Holding you and knowing the wrong is right

Dmaj7

Show me some mercy

Asus4

You know what you're doin' is making me

A

A happy man

Dmaj7

I shield you from the rain I've been slow to get you but

D

E

I'm working as hard as I can

Bm

E

This time, it's what we believe is true

Bm

E

And whether you believe I'm in love with you

Bm

E

I've gotta be sure that you say what you mean

Bm

E

Is it only a dream to a teenage queen

Bm

And all the years of tears and laughter

E

We could go through

Bm

Will it be happy ever after

A

For me and you

F#m A F#m

A

Heaven is a place inside of me

F#m

Livin' with your heart as company

Bm

Only you can change the way I feel

A

And make it feel good

A

Where there is love there is no crime

F#m

I'm only tryin' to get mine

Bm

Let me be the one to dry your eyes

E

We can be the promise that never dies

Dmaj7

Light of an angel blinded by the vision

Asus4

A

I'm wishin' we could travel on

Dmaj7

Stay with me baby any less than an hour

D

E

You'll be leavin' me lonely too long

Bm

This time, it's what we believe is true

Bm

E

And whether you believe I'm in love with you

Bm

E

I've gotta be sure that you say what you mean
