F

I throw all of your stuff away
And then I clear you out of my head

Dm

I take you out of my heart

Bb

And ignore all your messages

F

I tell everyone that we got through

Dm

Cause I'm so much better without you

Bb

But it's just another pretty lie

Cause I break down

Gm

Bb

Everytime you come around

O Oh O Oh

CORO:

F

So how did you get here

Under my skin?

C

I swore that I'll never
let you back in

Gm

Should have known better

Bb

In trying to let you go
Cause here we go go go again

F

Hard As I try
know I can't quit

C

Something about you
Is so addictive

Gm

We're falling together

Bb

You'd think that by now I'd know
Cause here we go go go again

F

You never know what you want
You never say what you mean

Dm

But I start to go insane

Bb

Everytime that you look at me

F

You only hear half of what I say

Dm

And you're always showing up too late

Bb

And I know that I should say goodbye

But it's no use

Gm

Bb

Can't Be With Or Without You

O Oh O Oh

F

So how did you get here

Under my skin?

C

I swore that I'll never

let you back in

Gm

Should have known better

Bb

In trying to let you go

Cause here we go go go again

F

Hard As I try I

know I can't quit

C

Something about you

Is so addictive

Gm

We're falling together

Bb

You'd think that by now I'd know

Cause here we go go go again
