Verso:

Em Am

I fought in a war and I left my friends behind me

C B

To go looking for the enemy, and it wasnt very long

Em Am

Before I would stand with another boy in front of me

C B

And a corpse that just fell into me, with the bullets flying round...

CORO:

G Am

And I reminded myself of the words you said when we were getting on

C B

And I bet youre making shells back home for a steady boy to wear

G Am

Round his neck, well it wont hurt to think of you as if youre waiting for

C B

This letter to arrive because I'll be here quite a while

Verso:

Em Am

I fought in a war and I left my friends behind me

C B

To go looking for the enemy, and it wasn't very long

Em Am

Before I found out that the sickness there ahead of me

C B

Went beyond the bedsit infamy of the decade gone before

CORO:

G Am

And I reminded myself of the words you said when we were getting on

C B

And I bet you're making shells back home for a steady man to wear

G Am

Round his neck, well it won't hurt to think of you as if you're waiting for

C B

This letter to arrive because I'll be here quite a while

Verso:

Em Am

I fought in a war, and I didn't know where it would end

C B

It stretched before me infinitely, I couldn't really think

Em Am

Of the day beyond now, keep your head down pal

C

There's trouble plenty in this hour, this day

B

I can see hope I can see light

CORO:

G Am

And I reminded myself of the looks you gave when we were getting on

C
