[Intro] F#

[Primera Parte]

B

Flippin' through all these magazines

B

Tellin' me who I'm supposed to be

Way too good at camouflage

Can't see what I am, I just see what I'm not

Jedi levels sabotage

Voices in my head make up my entourage

'Cause I'm a black belt when I'm beating upon myself

But I'm an expert at giving love to somebody else

F#

I, I, me, myself and I don't see eye to eye

Me, myself and I (yeah, yeah, yeah, oh)

[CORO]

B

Oh, why do I compare myself to everyone?

B

And I always got my finger on the self-destruct

F#

I wonder when I love me is enough (Yeah, yeah, yeah)

F#

I wonder when I love me is enough (Yeah, yeah, yeah)

B

Why am I always looking for a ride or die?

B

'Cause mine's the only heart I'm gonna have for life

F#

After all the times I went and fucked it up

Haters that live on the internet

Live in my head, should be paying rent

All these comments fucking up my energy
