        Bm

You say you don't need me

        Bm7

I know where your love goes

        D7+

You go missing after midnight

        G/A

I should know better and the bed is cold

        Bm

And if you think I'm not the real thing

        Bm7

I don't wanna die of hunger

        D7+

I got my world created for you

But you don't stay

        G/A

Not my imagination no more

        Bm

I can't be dealing with the bad girl

lives in your head

G/A
         You got your someone I , don't cry
                                  Bm
     You go and take a strangers love instead
              G   A
         Over you is where I should be
                          Bm
         I could be loving you too much
              G   A
         Under me is where you should be
                          Bm
         I could be loving you too much
                       D7+
         You know I love the way you do it
                       G
            when you do it right
                       D7+
         You ain't no one man woman
                       G/A
            Were you ever
                          D7+
         If you don't come back running
                       G
            when you've had enough
                       G/A
         And baby , you got it , I want it
         Show me what's left of your love
              G   A
         Over you is where I should be
                          Bm

I could be loving you too much

G   A

Under me is where you should be

Bm

I could be loving you too much

Bm

I won't be no dirty weekend

Bm7

I stay with you for good

D7+

He can be your outside lover

I've got eyes

G/A

I know he's in your blood

Bm

Just let me hold you for the hour

Bm7

I go where you lead me

D7+

I need some inspiration from you

G/A

I'm ready for the mystery , take me

Don't let me fall

Bm

Don't let me drown down here in the rain

G/A

There is no alibi , don't lie

Bm

You love a stranger and the world is pain

G   A

Over you is where I should be

                           Bm

I could be loving you too much

       G   A

Under me is where you should be

                         Bm

I could be loving you too much

                  Bm

too much , too much

too much , too much

too much , too much

too much , too much (come a little bit closer)

too much , too much (come a little bit closer)

too much , too much (come a little bit closer)

too much , too much (come a little bit closer)too much , too much (come a little bit closer)
