Verso 1:

F#

I like the way we are -

F#

I love what we've become

F#

When I'm in your arms -

F#

I know I've found the one

F#   B

I love your kiss me mouth -

C#

and your static touch

F#

It's just the way you are -

E

that makes me feel so much

Verso 2:

F#

No one could ever know -

```
                F#
what we're like alone
                F#
Rollin' round like rain -
                F#
we're a midnight storm
        F#          B
Like a river rising -
                    C#
I feel it thru your skin
                F#
When we're together -
                    E
I never want it to end
        CORO:
                    F#      C#
Oh, I thought I'd seen everything -
            G#m  B
til I saw you
            F#      C#
I thought I'd been everywhere -
            G#m  B
til I'd been with you
    F#          C#      G#m
I thought that everyone
                    B
knew what I knew
    G#m          C#      G#m
I thought I'd seen everything -
            C#    F#
```

til I saw you

Verso 3:

    F#

I like the way we are -

    F#

like a raging fire

    F#

Burning up the night,

    F#

burning with desire

  F#   B

You're such a sweet temptation -

          C#

you know I can't resist

    F#   E

Electricity, hey every time we kiss

Repeat CORO:

        F#   C#

Oh, I thought I'd seen everything -

    G#m B

til I saw you

       F#   C#

I thought I'd been everywhere -

    G#m B

til I'd been with you

  F#   C#   G#m

I thought that everyone

        B

knew what I knew

G#m   C#   G#m

I thought I'd seen everything -

        C#   F#

til I saw you

Instrumental (Verso chords):

Repeat CORO:

            F#   C#

I thought I'd seen everything -

            G#m B

til I saw you

            F#   C#

I thought I'd been everywhere -

            G#m B

til I'd been with you

    F#   C#   G#m

I thought that everyone

                B

knew what I knew

 G#m   C#   G#m

I thought I'd seen everything -

        C#   F#

til I saw youOutro: F#
