A Bm
Something told me it was over
A
When I saw you and her talking
Bm
Something deep down in my soul said, "cry girl"
A
When I saw you and her, walking around
Bm
I would rather, I would rather go blind boy
A
Than to see you, walk away from me child
Bm
I was just, I was just sitting here thinking
A
Of your kiss and your warm embrace
Bm
When the reflection in the glass that I held to my lips now baby
A
Revealed the tears that were on my face

Bm

And baby, baby, I would rather be blind boy

A

Than to see you walk away from me

Bm

And baby, baby, I'd rather be blind boy

A

Than to see you walk away from me

A

Bm

Something told me it was over

A When I saw you and her, talking
