C G
I close the door

D C G
Like so many times, so many times before

D C G
Felt like a scene on the cutting room floor

D
When i let you walk away tonight

C Em D
Without a word

C G
I try to sleep, yeah

D C G
But the clock is stuck on thoughts of you and me

D C G
A thousand more regrets unraveling, ohh

If you were here right now, i swear,

C Em D
I'd tell you this

(CORO)

Em D

Baby i don't want to waste another day

C G B7

Keeping it inside it's killing me

Em D C B7

Cause all i ever want, it comes right down to you, to you

I climb the walls

In the possibility
