Bbm Db
She said I feel stranded
Ebm
And I can't tell anymore
Gb Bbm
If I'm coming' or I'm going'
Db
It's not how I planned it
Ebm
I got a key to the door
Gb
But it just won't open
Ab
I know, I know, I know
Ebm
Part of me says let it go
Gb
That life happens for a reason
Ab
I don't, I don't, I don't

Ebm

'Cause I never went before

Gb

But this time, this time,

Gb

Db

I'm gonna try anything to just feel better

Ab

Tell me what to do

Ebm

You know I can't see through the haze around me

Gb

Db

And I'll do anything to just feel better

Ab

And I can't find my way

Ebm

God, I need a change

Gb

And I'll do anything to just feel better

Gb

Bbm

Any little thing to just feel better

Db

She said I need you to hold me

Ebm

I'm a little far from the shore

Gb

Bbm

And I'm afraid of sinking

Db

You're the only one who knows me

Ebm

And who doesn't ignore

Gb

That my soul is weeping

Ab

I know I know I know

Ebm

Part of me says let it go

Gb

Everything must have it's season

Ab

'Round, and 'round it goes

Ebm

And every day's the one before

Gb

But this time, this time

Gb

Db

I'm gonna try anything to just feel better

Ab

Tell me what to do

Ebm

You know I can't see through the haze around me

Gb

Db

And I'll do anything to just feel better

Ab

And I can't find my way

Ebm

God, I need a change

Gb

And I'll do anything to just feel better

Gb
