Bm D
 If you wanna run away with me I know a galaxy
 Em Bm
 And I could take you?for?a ride
 Bm D
 I had a premonition that we fell into a rhythm
 Em Bm
 Where the music don't stop for life

 Bm D
 Glitter in the sky, glitter in my eyes
 Em Bm
 Shining just the way you like
 Bm D
 If you're feeling like you need a little bit of company
 Em Bm
 You met me at the perfect time

 Bm D
 You want me, I want you, baby

Em Bm
My sugar-boo, I'm levitating
Bm D
The Milky Way, we're renegading
Em Bm
Yeah, yeah, yeah, yeah, yeah

Bm D Em Bm
I got you, moonlight, you're my starlight
Bm D Em Bm
I need you all night, come on dance with me

I'm levitating
Bm D Em Bm
I got you, moonlight, you're my starlight
Bm D Em Bm
I need you all night, come on dance with me

I'm levitating
Bm D
I believe that you're for me, I feel it in our energy
Em Bm
I see us written in the stars
Bm D
We can go wherever, so let's do it now or never
Em Bm
Baby, nothing's ever ever too far

Bm D
Glitter in the sky, glitter in our eyes

Em Bm

Shining just the way we are

I feel like we're forever every time we get together
