And leave me no choice

How you make me weak

I'm a lightweight better be careful what you say

C#

With every word I'm blown away

D#

I'm a lightweight easy to fall easy to break

C#

With every move my whole world shakes

D#

Keep me from falling apart

G#

Make a promise, please

Cm

You'll always be in reach

C#

Just incase I need

A safe place to fall
