Am
 He felt just like you
 Em
 His arms, his lips, his promises
 F
 Were just as smooth
 C Am
 His grip, it fit though I admit that only you
 Em
 Could make me feel the way you do
 F
 Though you know love is blind
 C
 And he just caught my eye
 Am
 You know me
 Em
 And honestly I'm better without ya
 F C
 Don't you got me checking on my phone by the hour

Am

Baby, I'm hoping and praying

Em

My knees weak, I'm shaking

F

C

'Cause you know that I always needed saving

Am

Now I'm fucking lonely

Em

And you didn't want me

F

Trying to show me that you didn't own me

C

Am

But all you do is leave me fucking lonely

Em

Knees on the concrete

F

Cut up and bleeding for no Goddamn reason

C

Am Em

But all you do is leave me fucking lonely

F C

Leave me fucking lonely

Am Em

Leave me fucking lonely

F C

Leave me fucking lonely

Am

The month was June

Em

The smoky sun, our fatal run

F

It ended too soon

C

With tears and proof

Am

'Cause all the carpets stained with juice

Em

Blood on my shoes

F

And you know love is blind

C

I can see it in your eyes

Am

You know me

Em

And honestly I'm better without ya

F

C

Don't you got me checking on my phone by the hour

Am

Baby, I'm hoping and praying

Em

My knees weak, I'm shaking

F

C

'Cause you know that I always needed saving

Am

Now I'm fucking lonely

Em

And you didn't want me

F

Trying to show me that you didn't own me

C Am
But all you do is leave me fucking lonely
Em
Knees on the concrete
F
Cut up and bleeding for no Goddamn reason
C Am Em
But all you do is leave me fucking lonely
F C
Leave me fucking lonely
Am Em
Leave me fucking lonely
F C
Leave me fucking lonely
Am Em
Bitch, can't even say I miss you back over the fuckin' text
F C
Every time you slept over my pad, you over fuckin' slept
Am Em
Toni Braxton told me to breathe again, don't hold no fuckin' breath
F C
Gave your ass directions to my heart, and your ass busted left
Am Em
Climbin' up the money tree, the tree without the lover's nest
F C
'Cause lovebirds are some busy bees, you fuck around, you stung again
Am Em
And you didn't leave in your underwear 'cause she didn't arrive in no underwear
F C
Look, baby, even lovers burn to nothin', that be clear

Am Em

I can't see the forest from the tree, the water from the sea

F C

And I was starting to believe, but it's a forest full of dreams

Am Em

I smoke bars full of weed, and call it what I see

F C

And when you leave, I hope you know you bring this forest to his leaves

Am Em

I'm fucking lonely

F C

Leave me fucking lonely

Am Em

Leave me fucking lonely

F C Leave me fucking lonely
