[Verse 1]

Lipstick stain in the water

Six sad sips from the wine

Wasted on occasion with the lights on and I face it

As a fact that I'm yours and you're mine

[Pre-Chorus]

I don't wanna sing sad songs forever

I don't want to, but maybe I might

I tried to erase him, to replace him

I forgave him and he's back right to my arms tonight

[Chorus]

The sun will always go down

The sky will always be blue

And, and as hard as I pray to change it

As much as I hate to say this

I, I, I, I will always love you

Love you

And, and as hard as I pray to change it

As much as I hate to say this

I, I, I, I will always love you

[Verse 2]

Love the taste of all the bitches

Seven sad sips of the wine

Wasted on occasion and the cry says I'm amazing

'Cause I leave and you remain here in my mind

[Pre-Chorus]

I don't wanna sing sad songs forever

I don't want to, but maybe I might

I tried to erase him, to replace him

I forgave him and he's back right to my arms tonight

[Chorus]

The sun will always go down

The sky will always be blue

And, and as hard as I pray to change it

As much as I hate to say this

I, I, I, I will always love you

Love you

And, and as hard as I pray to change it

As much as I hate to say this

I, I, I, I will always love you

[Bridge]

And I cried so many times

To find a peace of mind

Look me in the eye

On my own

[Chorus]

The sun will always go down

The sky will always be blue

And, and as hard as I pray to change it

As much as I hate to say this

I, I, I, I will always love you

Love you

And, and as hard as I pray to change it

As much as I hate to say this, I, I, I will always love you
