G

Want it, so I got it, I did it, so it's done

C

Another thing I ruined, I used to Do for fun

D

Another piece of plastic I could just throw away

C

Another conversation with nothing good to say

G

I thought it, so I said it, took it 'cause I can

C

Another day pretendin' I'm older than I am

D

Another perfect moment that doesn't feel like mine

C

Another thing I forced to be a sign

G

C

Well, sometimes I feel like I don't wanna be where I am

D

Gettin' drunk at a club with my fair weather friends

C

Push away all the people who know me the best

G

But it's me who's been makin' the bed

C

I'm so tired of bein' the girl that I am

D

Every good thing has turned into something I dread

C

And I'm playin' the victim so well in my head

G

But it's me who's been makin' the bed

C

Me who's been makin' the bed

D

Pull the sheets over my head

C

Makin' the bed

G

And every night, I wake up from this one recurrin' dream

C

Where I'm drivin' through the city and the brakes Go out on me

D

And I can't stop at the red light, I can't swerve off the road

C

I read somewhere it's 'cause my life feels so out of control

G

And I tell someone I love them just as a distraction

C

They tell me that they love me like I'm some tourist attraction

D

They're changin' my machinery and I just let it happen

C

I got the things I wanted, it's just not what I imagined

G

C

Well, sometimes I feel like I don't wanna be where I am

D

Gettin' drunk at a club with my fair weather friends

C

Push away all the people who know me the best

G

But it's me who's been makin' the bed

C

I'm so tired of bein' the girl that I am

D

Every good thing has turned into something I dread

C

And I'm playin' the victim so well in my head

Makin' the bed
