Verso 1:

F5

I'm not lost

I just haven't found

Everything i need

Bb5

I'm not torn

I'm just getting it together

F5

I'm not broken

Don't you mind

The pieces of me

Bb5

You see scattered on the ground

I swear I'll turn this thing around

F5

I'm not home but I'm sitting

here in my room

Bb5

I'm a photograph in need of a zoom

I feel far away

I can't make out the face

Bb5

It's all blurred since you went away

F5

I'm a mark

I'm a mortar

I'm a victim

I'm a jerk

Bb5

I'm an engine that just doesn't seem to start

F5

I'm a kingdom with no king

I'm a king with no crown

Bb5

So I'll fall down on my knees

And I pray that nobody sees

C5

You got my attention

Bb5

Now please come back to me

Come back to me

F5

I'm a circle incomplete

Bb5

I'm a heart that barely beats

D5

C5

All the memories stay forever like tattoos

F5

I'm a star with no sky

Bb5

I'm hello with no goodbye

G5

C5

I'm the dreams we had that never will come true

Can't find the words to fit the melody

Bb5

F5

When you were here with me
