[Verso]

G D/F#

It's been a couple months.....

Em D

That's just about enough time..

C G

For me to stop cryin' when I look at all the pictures

Am D

Now I kinda smile, I haven't felt that in a while

G Bm

It's late, I hear the door

Em D

Bell ringin' and it's pourin'

C G

I open up that door, see your brown eyes at the entrance

You just wanna talk and

Am D

I can't turn away from my door

[Pre-Coro]

G D/F# Em

But please don't ruin this for me

D C Bm

Please don't make it harder than it already is

Am D

I'm trying to get over this

[Coro]

G D/F# Em

..I wish that you would stay in my memories

D

But you show up today just to ruin things

C Bm

I wanna put you in the past 'cause I'm traumatized

Am D

But you're not lettin' me do that, 'cause tonight

G D/F#

You're all drunk in my kitchen, curled in the fetal position

Em D

Too busy playin' the victim to be listenin' to me

C

When I say

Bm Am

"I wish that you would stay in my memories"

D

In my memories, stay in my memories

[Verso]

G D/F#

Now I can't say "Goodbye"

Em

if you stay here the whole night

D C Bm

You see, it's hard to find an end to somethin' that you keep beginning

Over and over again

Am D

I promise that the ending always stays the same

G D/F# Em D

So there's no good reason in make believin' that we could ever exist again

[Pre-Coro]

C

I can't be your friend, can't be your lover

Bm Am

Can't be the reason we hold back each other from falling in love

D

With somebody other than me

[Coror]

G D/F# Em

..I wish that you would stay in my memories

D

But you show up today just to ruin things

C Bm

I wanna put you in the past 'cause I'm traumatized

Am D

But you're not lettin' me do that, 'cause tonight

G D/F#

You're all drunk in my kitchen, curled in the fetal position

Em D

Too busy playin' the victim to be listenin' to me

C

When I say

Bm Am

"I wish that you would stay in my memories"

D

In my memories, stay in my memories

[Puente]

C Cm

Since you came

G B

I guess I'll let you stay

C Cm

For as long as it takes

G D/F#

To grab your boots and your coat

Em D

And that one good cologne

Bm C

That you bought when we were fighting

G D/F# Em D

'Cause you steal all my clothes, everything that I own

Bm C

And it makes me feel like dying

Bm C C

I was barely just surviving

[Coro]

G D/F# Em

..I wish that you would stay in my memories

D

But you show up today just to ruin things

C Bm

I wanna put you in the past 'cause I'm traumatized

Am D

But you're not lettin' me do that, 'cause tonight

G

D/F#

You're all drunk in my kitchen, curled in the fetal position

Em

D

Too busy playin' the victim to be listenin' to me

C

When I say

Bm

Am

"I wish that you would stay in my memories"

D

C Cm G In my memories, stay in my memories...
