C Am
I know sometimes you're scared of the light
F C
But how will you ever know if you never try?
C
There's something new
Am
Inside my heart
F
And it cries like a child
C
Whenever we're apart
C Am
I see your face under every sky
F C
I find the less I look, the more I find
C Am
So let's go back there, back to the start
F
I swear I'm never gonna leave you

Am G

You're the only one I want

C Am

Let's go back there, back to the start

F

You know I'm never gonna leave you

Am G

'Cause you're the only one I want

C Am

You know sometimes that I'm scared of the dark

F C

But I'm feeling so brave when I'm in your arms

C Am

You said my name in the death or glory

F

You hold me alright

C

When I'm short of falling

C Am

So let's go back there, back to the start

F

I swear I'm never gonna leave you

Am G

You're the only one I want

C Am

Let's go back there, back to the start

F

I swear I'm never gonna leave you

Am G

'Cause you're the only one I want

Am

There will be times

C Bm

When we'll try to give it up

F

Bursting at the seams

Am G

No doubt that will almost fall apart

Am

Then burn to pieces

C Bm

And we'll watch them turn to dust

F

But without each other

Am G

Nothing is easy enough

C Am

So let's go back there, back to the start

F

I swear I'm never gonna leave you

Am G

'Cause you're the only one I want

C Am

Let's go back there, back to the start

F

I swear I'm never gonna leave you

Am G

'Cause you're the only one I want

C

You're the only one

Am

Never gonna leave you

F Am GNo, I'm never gonna leave you, no
