It was fun, playin' with knives

Until a blade

Stuck in the left side of my chest

That I was, I was, I was, I was

CORO

C  
But if somebody tells me

I'll go back to my old ways

Em  
I'm gonna say no way

I'm out of the doorway

I'm hearin' them all say

I'll go back to my old ways

Not goin' back to my old ways

Em  
Not goin' back to my old ways

Now I know, what's good for me

All that I need

And the best part about it

Is I'm the only one who can do somethin' about it

I fill the well with some water , it's overflowing'

Black into gold

Who knew it'd be so bright without the blindfolds

And I just keep changing'
