(Riff)

I hear what you're not saying

It's driving me crazy

It's like we stopped breathing in this room

We're both the last to believing

I know what you're thinking

I wish you'd make your move

CORO:

(Riff) G#

It's much too quiet in here

Am

I wanna disappear

F

I'm hearing myself thinking too clear

(Riff)

C G#

It's too quiet in here

Am

Make it all go away

F

Why can't we break the silence, finally?

(Riff) F

It's like you know where I'm going

G F G#

You follow me home but I never invite you inside

C F

I see what you're not showing
