(intro 4x) C Em G G7

C G

Everything is changing

C G

You're looking for the cure

C Em G

And you feel like you're the loneliest girl in the world

C G

Trouble in your head now

C G

Don't know what to do

C Em G

Seems like up is down and red is blue

C Em G

Red is blue

C Em G

Red is blue

C G

Remember when we started

C G

Days when all was fun

C Em G

All that we could make when life was young

C G

Now you're getting older

C G

Nothing feels the same

C Em G

You can't even make sense of your own name

C Em G

Because red is blue

(Doesn't make much sense)

C Em G

But red is blue

(Messing with your head now)

C Em G

Red is blue

C Em G

OohhOohhOohh

C Em G

OohhOohhOohh

(C Em G G7) (4x)

C Em G

In your heart There's a room where you lock up

C Em G

All the times and the things that she said

C Em G

And now red is blue What was near is far now

C Em G

Red is blue Like a fallen star

C Em G

And red is blue

C Em G

OohhOohhOohh

C Em G OohhOohhOohh
