[Intro] Em D A

Em D A Em D A

I remember all of the things that I thought I wanted to be

Em D A Em D A

So desperate, found a way out of my world and finally breathe

My heart, it came to life

G A

This ain't easy, it's not meant to be

G

Every story has its scars

D A

But When the pain cuts you deep

Em G Bm

And when the night keeps you from sleeping

D A

Just look and you will see

G A

That I will be your remedy

D A

When the world seems so cruel

Em G Bm

And your heart makes you feel like a fool

D A

I promise you will see

G A Em D A

That I will be, I will be, your remedy

( Em D A )

Em D A Em D A

No river is too wide or too, deep for me, too swim to you

Em D A

Your loving is my truth

Em D A

And I will always love you

G A G

Love you, oh

When the pain cuts you deep
