D7 Gm

I wish I could believe you then I'd be alright

But now my suspicions of you have multiplied

Bb Bb6 F7/4

And it's all because you lied

[CORO]

Bb F Gm

I only give you a hard time

Bb Bb6 Bb

'Cause I can't go on and pretend like

F7/4 Bb F Dm

I haven't tried to forgive this
Bb Bb6 Bb
But I'm much too full of resentment
F D7
Just can't seem to get over
Gm
The way you hurt me
Dm
Don't know how you gave another
Gm
Who didn't mean a thing, no
Bb Bb6 Bb
The very thing you gave to me
F D7
I thought I could forgive you
Gm
And I know you've changed
Dm
As much as I wanna trust you
Gm
I know it ain't the same
Bb Bb6 Bb F7/4
And it's all because you lied
[CORO]
Bb F Gm
I only give you a hard time
Bb Bb6 Bb
'Cause I can't go on and pretend like
F7/4 Bb F Dm
I haven't tried to forgive this

C

But I'm much too full of resentment

F#7/4 B F#

I may never understand why

G#m C#

I'm doing the best that I can and I

F#7/4 B F#

I tried, and I tried to forgive this

G#m C#

But I'm much too full of resentment

F# D#7

I'll always remember feeling

G#m

Like I was no good

D#m

Like I couldn't do it for you

G#m

Like your mistress could

C#

And it's all because you lied

F# D#7

Loved you more than ever

G#m

More than my own life

D#m

The best part of me I gave you

G#m

It was sacrificed

B B6 B F#7/4

And it's all because you lied

[CORO]

B F# G#m

I only give you a hard time

C#

'Cause I can't go on and pretend like

F#7/4 B F# G#m

I tried, and I tried to forgive this

C#

But I'm too damn full of resentment

F# D#7

I know she was attractive

G#m

But I was here first

D#m

Been riding with you for six years

G#m

Why did I deserve

B B6 B F#

To be treated this way by you?

D#7

I know you're probably thinking

G#m

"What's up with Bey?"

D#m

I've been crying for too long

G#m

What did you do to me?

B B6 B F#

I used to be so strong

D#7

But now you took my soul

G#m

I'm crying

D#m

Can't stop crying

G#m

Can't stop crying

B B6 B F#

You could have told me

D#7 G#m

You wasn't happy

D#m

I know you didn't wanna hurt me

G#m B

But look at what you been done to me now

B6 B F#

I gotta look at her in her eyes

D#7 G#m

And see she has had half of me

D#m How could you lie?
