     F7M

            Up with your turret
                  C  F7M   C  F7M
            Aren't we just terrified?
                  F7M
            Shale, screen your worry
                    C  F7M  C  F7M
            From what you won't ever find
                  C          Dm
            Don't let it fool you
              C           Dm   Am C
            Don't let it fool you  down
                  C          F7M
            Down's sitting 'round
                    G     F7M
            Folds in her gown  ooooh
                  F7M
            Sea and the rock below
                  C  F7M  C  F7M
```

Cocked to the undertow

          F7M
Bones, blood and teeth erode

     C   F7M C F7M
With every crashing node

        C   Dm
Wings wouldn't help you

     C   Dm Am C
Wings wouldn't help you down

          C   F7M
Down fills the ground

           G   F7M
Gravity's proud   ooooh

            F7M
You barely are blinkin'

          C   F7M   C F7M
Wagging your face around

      F7M
When'd this just become a mortal

       C F7M C F7M
Home?   Down

       F7M
Won't, won't, won't, won't

                    Dm
Won't let you talk me

      F7M   Dm Am C
Won't let you talk me, down

          C   F7M
We'll pull it taut

G F7M G F7M G CNothing let out
