E A

Break out, get a little loud

C#m B

Shout it from the rooftops now

E A

Wake up, even if you're down

C#m B

Yeah we gonna run this town

E A

Don't wait, time is running out

C#m B

Can you hear it ticking, let the music kick in

E A

Break out, get a little loud

C#m B

Shout it from the rooftops now

E A C#m

People say, play it safe

B E

But I don't wanna live that way

A C#m

Take a chance, change the game

B

And show 'em that we're not afraid

E A C#m

Run wild and never look back, never look back

B

The night is waiting

E A

Stand up and don't shut up

C#m B

The world is for the taking, taking

E A C#m

Run wild and never look back, never look back

B

No hesitating

E A

Stand up and don't shut up

C#m B

Tonight is what we make it, make it

E A

Earthquake, gotta shake it up

C#m B

Gonna make the whole world jump

E A

Stop signs, I think I've seen enough

C#m B

I'm a leave them in the dust

E A

Right now, breaking down the doors

C#m B (stop)
Can you hear me knockin', get this party rockin'
E A
Earthquake, gotta shake it up
C#m B
Gonna make the whole world jump
E A C#m
People say, play it safe
B E
But I don't wanna live that way
A C#m
Take a chance, change the game
B
And show 'em that we're not afraid
E A C#m
Run wild and never look back, never look back
B
The night is waiting
E A
Stand up and don't shut up
C#m B
The world is for the taking, taking
E A C#m
Run wild and never look back, never look back
B
No hesitating
E A
Stand up and don't shut up
C#m B
Tonight is what we make it, make it

E A

Run, run, run

C#m B

Fighting the fire, deep inside ya

E A C#m B

Make your move tonight, tonight

E A C#m

Run wild and never look back, never look back

B

The night is waiting

E A

Stand up and don't shut up

C#m B

The world is for the taking

E A C#m

Run wild and never look back, never look back

B

The night is waiting

E A

Stand up and don't shut up

C#m B

The world is for the taking, taking

E A C#m

Run wild and never look back, never look back

B

No hesitating

E A

Stand up and don't shut up

C#m B

Tonight is what we make it, make it

E A C#m B
Run wild, run wild
E A C#m B Run wild, run wild
