[Intro] F Am G Em

F Am

It was great at the very start

G Em

Hands on each other

F Am

Couldn't stand to be far apart

G Em

Closer the better

F

Now we're picking fights

Am

And slamming doors

G Em

Magnifying all our flaws

F

And I wonder why

Am

Wonder what for

G Em

Why we keep coming back for more

F C

Is it just our bodies?

G Am

Are we both losing our minds?

F C G

Is the only reason you're holding me tonight

Am

'Cause we're scared to be lonely?

F C

Do we need somebody

G Am

Just to feel like we're alright?

F C G

Is the only reason you're holding me tonight

Am

'Cause we're scared to be lonely?

( F C G Am )

( F C G Am )

F Am

Too much time, losing track of us

G Em

Where was the real?

F Am

Undefined, spiraling out of touch

G Em

Forgot how it feels

F

All the messed up fights

Am

And slamming doors

G Em

Magnifying all our flaws

F

And I wonder why

Am

Wonder what for

G Em

It's like we keep coming back for more

F C

Is it just our bodies?

G Am

Are we both losing our minds?

F C G

Is the only reason you're holding me tonight

Am

'Cause we're scared to be lonely?

F C

Do we need somebody

G Am

Just to feel like we're alright?

F C G

Is the only reason you're holding me tonight

Am

'Cause we're scared to be lonely?

F C G Am

Scared to be lonely

F C G Am

F Am

Even when we know it's wrong

G Em  
Been somebody better for us all along

Holding on tonight
