Yes, this is my first tab.

Chances are this is wrong, but I love the song and wrote this for my enjoyment.

The riff may or may not be correct, it's as close as i could be bothered getting it. By Alex Kucharski (KinGAlEX) *

Chord Sheet

D F#7/C# Bm7 E7

There's a moment in my mind

A Asus4 A Asus4

I scribbled and erased a thousand times

D F#7/C# Bm7 E7

Like a letter never written or sent

A Asus4 A Asus4

D F#7/C# Bm7 E7

These conversations with the dead

A Asus4 A Asus4

I used to be a sentimental guy

D F#7/C# Bm7 E7 A Asus4

Now I'm haunted by the left unsaid

A Asus4 D 1

I never thought so much could change

D F#7/C# Bm7 E7
Little things you said or did
A Asus4
Are part of me
A Asus4 D
Come out from time to time
F#7/C# Bm7 E7
Though probably no one I know now
A Asus4
Would notice
A Asus4 D 1*
But I never thought so much could change
Em/G Gmaj#5 G Gmajb5
You drifted far away
G Em/G
Far away it seems
Em
Time has stopped
A Asus4 A 1
The clock keeps go-ing
D F#7/C#
People talking
Bm7 E7
And I'm watching
A Asus4 A Asus4 D
As flashes of their faces go black and white
F#7/C7
And fade to yellow
Bm7 E7 A Asus4
In a box in an attic

A Asus4 D F#7/C7 Bm7

And I never thought so much

E7 A Asus4 A

Could change now I don't miss any-one

Asus4 D F#7/C# Bm7

I don't miss anything

E7

What a shame

A Asus4 A Asus4 1**I used to be a sentimental guy
