C Dm      C Dm      C      Dm      C Dm

Oh yeah, oh yeah baby here we are again

C                Dm                C

I can see it in your eyes, you want a good time

Dm

You wanna put your body on mine

C                Dm                C      Dm

Alright but don't change your mind, don't you change it, oh no

C                Dm                C

Oh yeah you called me today, your brother's ways

Dm

So don't let this bus go to waste

C                Dm                C      Dm

So no, your pleasure pleasure island is where we can go

C                Dm

No I wont think you easy, no I wont think you're fast

C                Dm

Your eyes say amazing, but your lips came to ask

C                Dm

No need to fight it, when you know it feels alright

C

You say you're a woman who knows what she likes

C            Dm            C

Then show me, you gotta, you gotta show me

Dm                      C

And tell me all day that you're lonely

Dm                      C

But show me show me show me tonight, yeah

C            Dm            C

Girl show me, you gotta, you gotta show me

Dm                      C

And tell me all day that you're lonely

Dm                      C    Dm

But show me show me show me tonight, yeah

Love the way that you laugh, the way that you smile

Makes me feel like you been waiting a while

But guess what darling, I been waiting too

So let's run, we can get freaky tonight

Right is your ticket to ride

Tell me girl what you gon do

No I wont think you easy, no I wont think you're fast

Your eyes say amazing, but your lips came to ask

No need to fight it, when you know it feels alright

You say you're a woman who knows what she likes

Then show me, you gotta, you gotta show me

And tell me all day that you're lonely

But show me show me show me tonight, yeah

Girl show me, you gotta, you gotta show me

And tell me all day that you're lonely

But show me show me show me tonight, yeah

It's getting freaky in this room room room

Now let me hear you say you want that boom boom boom

We can take it slow, we can zoom zoom zoom

Baby if you're ready for that I I I

It's getting freaky in this room room room

Now let me hear you say you want that boom boom boom

We can take it slow, we can zoom zoom zoom

Baby if you're ready for that

Then show me, you gotta, you gotta show me

And tell me all day that you're lonely

But show me show me show me tonight, yeah

Girl show me, you gotta, you gotta show me

And tell me all day that you're lonely

But show me show me show me tonight, yeah

Something like that..
