(G#4 G5- F#5 F5+)

Get up off your knees my friend

Promise never to pretend

You're the apple of my eye

Spread your wings and learn to fly

All I know is you can be

Everything you want to be

Life is short, so don't be shy

Tears of joy is all you'll find

E5 Eb5+

Soul Love, Soul Love

C#5 A5 E5

Come in to my world, It's all for you

Eb5+

Everything I do

It's all for you

(PAUSA)

You can never be too sure

What or who's behind your door
(G#4 G5- F#5 F5+)

The circus has just come to town
All I know is I can be
Everything I want to be
Life is short, so don't be shy
Spread your wings and learn to fly
