[Verso 1]

D

Where is my mind? I've lost the nerve

G

This year flew by without a word

A

I had a plan to cross the world

But haven't left this island

D

The stores closed down and opened up

G

I said I'd do a sober month

A

I failed, but tried and wrote this drunk

In overwhelming silence

[Coro]

Bm

A

And I'll see my friends when all this ends

G

A

D

But now until then, I'm holdin' out for spring

G A D

We can't let winter win, that's why I'm holdin' out for spring

G A D G A

Oh, what a state we're in, I'll keep holdin' out for spring

[Verso 2]

D

Homework and cancelled holidays

G

The blame gets passed to save a face

A

The smell of last night's takeaway

Just tells me I'm a mess

D

Still watchin' shows they recommend

G

That don't get good until the end

A

And I could be unwell, but then again

Maybe I'm just depressed

[Coro]

Bm A

And I'll fix my head when all this ends

G A D

But now until then, I'm holdin' out for spring

G A D

We can't let winter win, that's why I'm holdin' out for spring

G A D

Oh, what a state we're in, I'll keep holdin' out for spring

[Puente]

E

Time, blue skies

D E

Crossed face, slowly

C# B D

Cross my mind to linger

E D

And hope out for spring

[Outro]

G A D

We can't let winter win, that's why I'm holdin' out for spring

A G A Oh, what a state we're in
