[Intro] Gm Gb Eb

Bbmaj7 Bb7

Cm7 F7 Cm7 F7

(Oooh) (Yeah)

Cm7 F7 Bbmaj7 Bb7

(Oooh) (Oooh)

Cm7 F7

I just wanted to be one of The Strokes

Cm7

Now look at the mess you made me make

F7 Cm7

Hitchhiking with a monogrammed suitcase

F7 Bbmaj7 Bb7

Miles away from any half-useful imaginary highway

Cm7 F7

I'm a big name in deep space, ask your mates

Cm7 F7

But golden boy's in bad shape

Cm7

I found out the hard way that

F7                      Bbmaj7  
 Here ain't no place for dolls like you and me  
                          Bb7  
 Everybody's on a barge  
 Cm7                      F7  
 Floating down the endless stream of great TV  
                          Cm7 F7  
                          1984, 2019  
                          Cm7                      F7  
 Maybe I was a little too wild in the '70s  
                          Cm7                      F7  
 Rocket-ship grease down the cracks of my knuckles  
                          Cm7                      F7  
 Karate bandana, warp speed chic  
                          Cm7                      F7  
 Hair down to there, impressive moustache  
                          Cm7                      F7  
 Love came in a bottle with a twist-off cap  
                          Bbmaj7                      Bb7  
 Let's all have a swig and do a hot lap  
                          Gm                      F7  
 So who you gonna call?  
                          Gm Bbmaj7 Bb7 Eb                      Gb Eb  
                          The martini police?  
 Bbmaj7 Bb7                      Cm7                      F7  
 Baby, that isn't how they look tonight, oh no  
 Cm7 F7                      Cm7 F7                      Bbmaj7 Bb7  
 It took the light forever to get to your eyes  
                          Cm7                      F7  
 I just wanted to be one of those ghosts

Cm7 F7  
 You thought that you could forget  
 Cm7 F7  
 And then I haunt you via the rear view mirror  
 Bbmaj7 B7  
 On a long drive from the back seat  
 Cm7 F7  
 But it's alright, 'cause you love me  
 Cm7 F7  
 And you recognise that it's ain't how it should be  
 Cm7 F7  
 Your eyes are heavy and the weather's getting ugly  
 Bbmaj7 Bb7  
 So pull over, I know the place  
 Cm7 F7  
 Don't you know an apparition is a cheap date?  
 Cm7 F7  
 What exactly is it you've been drinking these days?  
 Cm7 F7  
 Jukebox in the corner, long, hot summer  
 Cm7 F7  
 They've got a film up on the wall and it's dark enough to dance  
 Cm7  
 What do you mean you've never seen Blade Runner?  
 ( Cm7 F7 )  
 Cm7 F7  
 Oh, maybe I was a little too wild in the '70s  
 Bbmaj7 Bb7  
 Back down to earth with a lounge singer shimmer  
 Cm7 F7 Cm7

Elevator down to my make believe residency

F7

From the honeymoon suite

Cm7 F7

Two shows a day, four nights a week

Bbmaj7 Bb7

Easy money

Gm F7

So who you gonna call?

Gm Bbmaj7 Bb7 Eb Gb Eb

The martini police?

Bbmaj7 B7

Ooooh

Gm F7

So who you gonna call?

Gm Bbmaj7 Bb7 Eb Gb Eb

The martini police?

Bbmaj7 Bb7 Cm7 F7

Oh, baby, that isn't how they look tonight

Cm7 F7 Cm7 F7 Cm7 F7

It took the light absolutely forever to get to your eyes

Cm7 F7 Cm7 F7

And as we gaze skyward, ain't it dark early?

Cm7 F7 Bbmaj7 B7

It's the star treatment, yeah

Cm7 F7 Cm7 F7

And as we gaze skyward, ain't it dark early?

Cm7 F7 Cm7 F7

It's the star treatment

Cm7 F7 Cm7 F7

It's the star treatment

Cm7 F7 Cm7 F7The star treatment
