G GM7
 I have nightmares each week about that Friday in May
 G GM7
 One phone call from you and my entire world was changed
 Em
 Trust that you betrayed, confusion that still lingers
 D/F#
 You took everything I loved and crushed it in between your fingers
 G GM7
 And I doubt you ever think about the damage that you did
 G GM7
 But I hold on to every detail like my life depends on it
 Em
 My undying love, now I hold it like a grudge
 D/F#
 And I hear your voice every time that I think I'm not enough
 CM7
 And I try to be tough, but I wanna scream
 How could anybody Do the things you did so easily?
 G GM7

And I say I don't care, I say that I'm fine

G GM7 Am7

But you know I can't let it go, I've tried, I've tried, I've tried for so long

Em D C

It takes strength to forgive, but I don't feel strong

G GM7

The arguments that I have won against you in my head

G GM7

In the shower, in the car and in the mirror before bed

Em

Yeah, I'm so tough when I'm alone and I make you feel so guilty

And I fantasize about a time you're a little sorry

G GM7

And I try to understand why you would Do this all to me

G GM7

You must be insecure, you must be so unhappy

Em

And I know, in my heart, hurt people hurt people

And we both drew blood, but, man, those cuts were never equal

CM7

And I try to be tough, but I wanna scream

How could anybody Do the things you did so easily?

G GM7

And I say I don't care, I say that I'm fine

G GM7 Am7

But you know I can't let it go, I've tried, I've tried, I've tried for so long

Em D C G

It takes strength to forgive, but I don't feel strong

Em Am7 CM7

Ooh, Do you think I deserved it all?

Em Am7 CM7

Ooh, your flower's filled with vitriol

D

You built me up to watch me fall

You have everything and you still want more

CM7

I try to be tough, I try to be mean

But even after all this, you're still everything to me

G
