Intro: C Am Em G

Verso I:

C

You got me sippin' on something

Am

I can't compare to nothing

Em

I've ever known, i'm hoping

G

That after this fever i'll survive

C

I know i'm acting a bit crazy

Am

Strung out, a little bit hazy

Em

Hand over heart, i'm praying

G

That i'm gonna make it out alive

CORO:

C

The bed's getting cold and you're not here

Am

The future that we hold is so unclear

Em

But i'm not alive until you call

G

And i'll bet the odds against it all

C

Save your advice 'cause i won't hear

Am

You might be right but i don't care

Em

G

There's a million reasons why i should give you up

C Am

But the heart wants what it wants

Em G

The heart wants what it wants

Verso II:

C

You got me scattered in pieces

Am

Shining like stars and screaming

Em

Lightining me up like venus

G

But then you disappear and make me wait

C

And every second's like torture

Am

Hell over trip, no more so

Finding a way to let go

Baby baby no i can't escape

C

The bed's getting cold and you're not here

The future that we hold is so unclear

But i'm not alive until you call

And i'll bet the odds against it all

Save your advice 'cause i won't hear

You might be right but i don't care

G

There's a million reasons why i should give you up

Am

But the heart wants what it wants

G

The heart wants what it wants

Am

The heart wants what it wants

G

The heart wants what it wants
