Em C D

Things we lost to the flame

Em C Am D

Things we'll never see again

Em C D

All that we've amassed

Em C Am D

Sits before us, shattered into ash

Em D

These are the things, the things we lost

Bm C

The things we lost in the fire fire fire

Em D

These are the things, the things we lost

Bm C

The things we lost in the fire fire fire

Em D

We sat and made a list

Bm C

Of all the things that we have

Em D  
Down the backs of table tops  
Bm C  
Ticket stubs and your diaries  
Em D  
I read them all one day  
Bm C  
When loneliness came and you were away  
Em D  
Oh they told me nothing new,  
Bm C  
But I love to read the words you used  
Em D  
These are the things, the things we lost  
Bm C  
The things we lost in the fire fire fire  
Em D  
These are the things, the things we lost  
Bm C  
The things we lost in the fire fire fire  
Em D  
I was the match and you were the rock  
Bm C  
Maybe we started this fire  
Em D  
We sat apart and watched  
Bm C  
All we had burned on the pyre  
Em D  
(You said) we were born with nothing

Bm C

And we sure as hell have nothing now

Em D

(You said) we were born with nothing

Bm C

And we sure as hell have nothing now

Em D

These are the things, the things we lost

Bm C

The things we lost in the fire fire fire

Em D

These are the things, the things we lost

Bm C

The things we lost in the fire fire fire

Am F

Do you understand that we will

C G

Never be the same again?

Am F

Do you understand that we will

C G

Never be the same again?

Am F

The futures in our hands and we will

C G

Never be the same again

Am F

The futures in our hands and we will

C G

Never be the same again

Em D

These are the things, the things we lost

Bm C

The things we lost in the fire fire fire

Em D

These are the things, the things we lost

Bm C

The things we lost in the fire fire fire

Em C D

Flames they licked the walls

Em C Am DTenderly they turned to dust all that I adore
