E A E

Yeah, yeah, yeah, yeah, yeah.

E A E

I was a sailor, I was lost in sea

E A E

I was under the waves, before loves rescued me

E A E

I was a fighter I could turn on threat

Now I stand accused of things I've said.

A A

Love comes to town, I'm gonna jump that train

E A

When love comes to town, I'm gonna catch that flame.

E

Maybe I was wrong to ever let you down,

E

But I did what I did before love came to town.

(verso 2)

Used to make love under the red sunset,
I was making promises I that were soon to forget.
She was pale as the lace of her wedding gown,
But I left her standing before love came to town.

(verso 3)

Ran into a juke joint when I heard a guitar scream,
The notes were turning blue as days are a dream.
As the music played I saw my life turn around
That was the day before love came to town.

(verso 4)

I was there when they crucified my lord
I held the scabbard when the soldier drew his sword
I threw the dice as they pierced his side,
But I've seen love conquer the great divide.
